## Certificate of Employment for HHDF Program Manager

### **Daniel Jinnefält**

Human Health Development Foundation is a Non Governmental Organization aiming at supporting people in developing countries. The imperial object attaining sustainable economy and good health for people in rural areas secured through water purification and sustainable draught resistant cash crop agriculture business.

Daniel Jinnefält, as HHDF Program Manager from Mars 2006, has, through outstanding administration, accomplished to reach all levels and administrative bodies of the Zambian society as well as the rural people. Daniel Jinnefält has further presented a great capacity in leadership handling the development and implementation of the HHDF program, based on his vast academic background as well as intercultural understanding and great ability to interact in rural as well in local and national governance. Daniel Jinnefält has created a good cooperation with Zambian NGO partners, local councils, provincial governance and state officials of Zambia and has not the least shown a strong commitment for the common people of Zambia as well as a never ending force to share knowledge, recourses and leadership capacity with his colleagues.

I hereby fully recommend Daniel Jinnefält for any kind of responsibility that he would challenge. Daniel Jinnefält will be an asset to any position where he will be taking part as committed person and colleague.
